MUSLIM INTERSCHOLASTIC TOURNAMENT

The Muslim Interscholastic Tournament (MIST) is a fun, educational, interactive program of competitions and workshops geared towards bringing high school students together from around the region and nation to develop leadership, communication, and other creative skills. MIST is open to students of all faiths.

MIST has a number of competitions in six main categories: The arts, sports, Qur'anic memorization and Islamic knowledge, written and oratory competitions, group projects, and bracketed competitions. Students are given the opportunity to participate in both individual and group competitions in order to win points as part of a team representing their high school. By giving students a venue to excel in the arts, sciences, and humanities, they grow up knowing not only that they can be important members of their various communities, but also important contributors.

MIST Columbus is still in its early stages, and every year has seen significant growth from our community, as well as increased involvement from other communities in Ohio such as in Toledo, Cincinnati, and Cleveland. As such, the needs for sponsorships increases in order to help fund these events and provide these bright young Muslims the opportunity to explore their interests and display their skills with other Muslims.

WHY DONATE?

MIST is completely non-profit, with volunteer involvement increasing every year. However, your donations are needed to ensure that our youth are able to experience the opportunity to grow in an environment that makes them proud to be Muslim no matter where they are. MIST aims not only to allow the youth to display their talents, but to give them the opportunity to build friendships and connections with other Muslim communities from around the nation. These connections help strengthen their identities as Muslims no matter where they are, and sponsorships play a key role in ensuring that they are given these chances.

There are a variety of sponsorship packages offered by MIST Columbus, and each comes with their own benefits for the sponsors. There are also custom packages offered for accepting any donation amount. Every dollar donated is used in a variety of ways to ensure that competitors are able to experience and enjoy MIST fully, and that everything functions properly during the competitions.
